Quotes on Nature

One touch of nature makes the whole world kin.

- William Shakespeare

One touch of nature makes the whole world kin.

- William Shakespeare

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

Quotes on Nature

That which is not good for the bee-hive cannot be good for the bees.

- Marcus Aurelius

That which is not good for the bee-hive cannot be good for the bees.

- Marcus Aurelius

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

Quotes on Nature

Keep your sense of proportion by regularly, preferably daily, visiting the natural world.

- Caitlin Matthews

Keep your sense of proportion by regularly, preferably daily, visiting the natural world.

- Caitlin Matthews

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

Quotes on Nature

Let the rain kiss you. Let the rain beat upon your head with silver liquid drops. Let the rain sing you a lullaby.

- Langston Hughes

Let the rain kiss you. Let the rain beat upon your head with silver liquid drops. Let the rain sing you a lullaby.

- Langston Hughes

[illegible]

Quotes on Nature

A morning-glory at my window satisfies me more than the metaphysics of books.

- Walt Whitman

A morning-glory at my window satisfies me more than the metaphysics of books.

- Walt Whitman

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

Quotes on Nature

Keep your face to the sunshine and you cannot see a shadow.

- Helen Keller

Keep your face to the sunshine and you cannot see a shadow.

- Helen Keller

[illegible]

Quotes on Nature

Look deep into nature, and then you will understand everything better.

- Albert Einstein

Look deep into nature, and then you will understand everything better.

- Albert Einstein

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

Quotes on Nature

If you wish to make an apple pie from scratch, you must first invent the universe.

- Carl Sagan

If you wish to make an apple pie from scratch, you must first invent the universe.

- Carl Sagan

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and extend across the width of the page. There are no margins, text, or other markings on the paper.

Quotes on Nature

I think that I shall never see a poem lovely as a tree.

- Joyce Kilmer

I think that I shall never see a poem lovely as a tree.

- Joyce Kilmer

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

Quotes on Nature

I perhaps owe having become a painter to flowers.

- Claude Monet

I perhaps owe having become a painter to flowers.

- Claude Monet

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

Quotes on Nature

If one way be better than another, that you may be sure is nature's way.

- Aristotle

If one way be better than another, that you may be sure is nature's way.

- Aristotle

[illegible]

Quotes on Nature

Let the gentle bush dig its root deep and spread upward to split the boulder.

- Carl Sandburg

Let the gentle bush dig its root deep and spread upward to split the boulder.

- Carl Sandburg

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

Quotes on Nature

Nature, to be commanded, must be obeyed.

- Francis Bacon

Nature, to be commanded, must be obeyed.

- Francis Bacon

[illegible]

Quotes on Nature

The bluebird carries the sky on his back.

- Henry David Thoreau

The bluebird carries the sky on his back.

- Henry David Thoreau

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

The groves were God's first temples.

- William C. Bryant

The groves were God's first temples.

- William C. Bryant

[illegible]

Quotes on Nature

Look deep into nature, and then you will understand everything better.

- Albert Einstein

Look deep into nature, and then you will understand everything better.

- Albert Einstein

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and extend across the width of the page. There are no margins, text, or other markings on the paper.

The poetry of the earth is never dead.

- John Keats

The poetry of the earth is never dead.

- John Keats

[illegible]

Quotes on Nature

There are always flowers for those who want to see them.

- Henri Matisse

There are always flowers for those who want to see them.

- Henri Matisse

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

Quotes on Nature

The landscape belongs to the person who looks at it.

- Ralph Waldo Emerson

The landscape belongs to the person who looks at it.

- Ralph Waldo Emerson

[illegible]

Quotes on Nature

The Universe is one great kindergarten for man. Everything that exists has brought with it its own peculiar lesson.

- Orison Swett Marden

The Universe is one great kindergarten for man. Everything that exists has brought with it its own peculiar lesson.

- Orison Swett Marde

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

Quotes on Nature

Understanding the laws of nature does not mean that we are immune to their operations.

- David Gerrold

Understanding the laws of nature does not mean that we are immune to their operations.

- David Gerrold

[illegible]

Quotes on Nature

We may brave human laws, but we cannot resist natural ones.

- Jules Verne

We may brave human laws, but we cannot resist natural ones.

- Jules Verne

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

Quotes on Nature

Some people walk in the rain, others just get wet.

- Roger Miller

Some people walk in the rain, others just get wet.

- Roger Miller

[illegible]

Quotes on Nature

Nature will bear the closest inspection. She invites us to lay our eye level with her smallest leaf, and take an insect view of its plain.

- Henry David Thoreau

Nature will bear the closest inspection. She invites us to lay our eye level with her smallest leaf, and take an insect view of its plain.

- Henry David Thoreau

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

Nature is wont to hide herself.

- Heraclitus

Nature is wont to hide herself.

- Heraclitus

[illegible]

Quotes on Nature

Nature is so powerful, so strong. Capturing its essence is not easy - your work becomes a dance with light and the weather. It takes you to a place within yourself.

- Annie Leibovitz

Nature is so powerful, so strong. Capturing its essence is not easy - your work becomes a dance with light and the weather. It takes you to a place within yourself.

- Annie Leibovitz

[illegible]

Quotes on Nature

I go to nature to be soothed and healed, and to have my senses put in order.

- John Burroughs

I go to nature to be soothed and healed, and to have my senses put in order.

- John Burroughs

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

Quotes on Nature

I decided that if I could paint that flower in a huge scale, you could not ignore its beauty.

- Georgia O'Keeffe

I decided that if I could paint that flower in a huge scale, you could not ignore its beauty.

- Georgia O'Keeffe

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

I believe in God, only I spell it Nature.

- Frank Lloyd Wright

I believe in God, only I spell it Nature.

- Frank Lloyd Wright

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

I am two with nature.

- Woody Allen

I am two with nature.

- Woody Allen

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

Quotes on Nature

Those who contemplate the beauty of the earth find reserves of strength that will endure as long as life lasts.

- Rachel Carson

Those who contemplate the beauty of the earth find reserves of strength that will endure as long as life lasts.

- Rachel Carson

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

Quotes on Nature

Green is the prime color of the world, and that from which its loveliness arises.

- Pedro Calderon de la Barca

Green is the prime color of the world, and that from which its loveliness arises.

- Pedro Calderon de la Barca

[illegible]

Quotes on Nature

Maybe nature is fundamentally ugly, chaotic and complicated. But if it's like that, then I want out.

- Steven Weinberg

Maybe nature is fundamentally ugly, chaotic and complicated. But if it's like that, then I want out.

- Steven Weinberg

This image shows a blank sheet of white paper with horizontal black ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

Quotes on Nature

Occasionally I have come across a last patch of snow on top of a mountain in late May or June. There's something very powerful about finding snow in summer.

- Andy Goldsworthy

Occasionally I have come across a last patch of snow on top of a mountain in late May or June. There's something very powerful about finding snow in summer.

- Andy Goldsworthy

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

Quotes on Nature

People from a planet without flowers would think we must be mad with joy the whole time to have such things about us.

- Iris Murdoch

People from a planet without flowers would think we must be mad with joy the whole time to have such things about us.

- Iris Murdoch

This image shows a blank sheet of white paper with horizontal black ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

Quotes on Nature

Solitary trees, if they grow at all, grow strong.

- Winston Churchill

Solitary trees, if they grow at all, grow strong.

- Winston Churchill

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

Quotes on Nature

Poor, dear, silly Spring, preparing her annual surprise!

- Wallace Stevens

Poor, dear, silly Spring, preparing her annual surprise!

- Wallace Stevens

[illegible]

Quotes on Nature

The counterfeit and counterpart of Nature is reproduced in art.

- Henry Wadsworth Longfellow

The counterfeit and counterpart of Nature is reproduced in art.

- Henry Wadsworth Longfellow

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

Quotes on Nature

An animal's eyes have the power to speak a great language.

- Martin Buber

An animal's eyes have the power to speak a great language.

- Martin Buber

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

Quotes on Nature

The butterfly counts not months but moments, and has time enough.

- Rabindranath Tagore

The butterfly counts not months but moments, and has time enough.

- Rabindranath Tagore

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

Quotes on Nature

We do not see nature with our eyes, but with our understandings and our hearts.

- William Hazlitt

We do not see nature with our eyes, but with our understandings and our hearts.

- William Hazlitt

[illegible]

The mountains are calling and I must go.

- John Muir

The mountains are calling and I must go.

- John Muir

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

Quotes on Nature

The world is mud-luscious and puddle-wonderful.

- e. e. cummings

The world is mud-luscious and puddle-wonderful.

- e. e. cummings

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

Quotes on Nature

To be interested in the changing seasons is a happier state of mind than to be hopelessly in love with spring.

- George Santayana

To be interested in the changing seasons is a happier state of mind than to be hopelessly in love with spring.

- George Santayana

[illegible]

Quotes on Nature

To sit in the shade on a fine day and look upon verdure is the most perfect refreshment.

- Jane Austen

To sit in the shade on a fine day and look upon verdure is the most perfect refreshment.

- Jane Austen

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and extend across the width of the page. There are no margins, text, or other markings on the paper.

Quotes on Nature

You can't be suspicious of a tree, or accuse a bird or a squirrel of subversion or challenge the ideology of a violet.

- Hal Borland

You can't be suspicious of a tree, or accuse a bird or a squirrel of subversion or challenge the ideology of a violet.

- Hal Borland

[illegible]

Quotes on Nature

When I have a terrible need of - shall I say the word - religion. Then I go out and paint the stars.

- Vincent Van Gogh

When I have a terrible need of - shall I say the word - religion. Then I go out and paint the stars.

- Vincent Van Gogh

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

Quotes on Nature

To make a prairie it takes a clover and one bee, One clover, and a bee,
And revery. The revery alone will do, If bees are few.

- Emily Dickinson

To make a prairie it takes a clover and one bee, One clover, and a bee,
And revery. The revery alone will do, If bees are few.

- Emily Dickinson

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

Quotes on Nature

Each moment of the year has its own beauty...a picture which was never before and shall never be seen again.

- Ralph Waldo Emerson

Each moment of the year has its own beauty...a picture which was never before and shall never be seen again.

- Ralph Waldo Emerson

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

Quotes on Nature

The violets in the mountains have broken the rocks.

- Tennessee Williams

The violets in the mountains have broken the rocks.

- Tennessee Williams

This image shows a blank sheet of white paper with horizontal black ruling lines. The lines are evenly spaced and run across the width of the page, typical of notebook or legal stationery. There are no margins, text, or other markings on the paper.

Quotes on Nature

There are no passengers on spaceship earth. We are all crew.

- Marshall McLuhan

There are no passengers on spaceship earth. We are all crew.

- Marshall McLuhan

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

Quotes on Nature

There's always a period of curious fear between the first sweet-smelling breeze and the time when the rain comes cracking down.

- Don DeLillo

There's always a period of curious fear between the first sweet-smelling breeze and the time when the rain comes cracking down.

- Don DeLillo

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

Quotes on Nature

Ocean: A body of water occupying about two-thirds of a world made for man - who has no gills.

- Ambrose Bierce

Ocean: A body of water occupying about two-thirds of a world made for man - who has no gills.

- Ambrose Bierce

[illegible]

Quotes on Nature

I'm very gregarious, but I love being in the hills on my own.

- Norman MacCaig

I'm very gregarious, but I love being in the hills on my own.

- Norman MacCaig

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

Quotes on Nature

Having family responsibilities and concerns just has to make you a more understanding person.

- Sandra Day O'Connor

Having family responsibilities and concerns just has to make you a more understanding person.

- Sandra Day O'Connor

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

Quotes on Nature

For myself I hold no preferences among flowers, so long as they are wild, free, spontaneous. Bricks to all greenhouses! Black thumb and cutworm to the potted plant!

- Edward Abbey

For myself I hold no preferences among flowers, so long as they are wild, free, spontaneous. Bricks to all greenhouses! Black thumb and cutworm to the potted plant!

- Edward Abbey

[illegible]

Quotes on Nature

Give me odorous at sunrise a garden of beautiful flowers where I can walk undisturbed.

- Walt Whitman

Give me odorous at sunrise a garden of beautiful flowers where I can walk undisturbed.

- Walt Whitman

This image shows a single sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

Quotes on Nature

He is richest who is content with the least, for content is the wealth of nature.

- Socrates

He is richest who is content with the least, for content is the wealth of nature.

- Socrates

[illegible]

Quotes on Nature

In the depth of winter I finally learned that there was in me an invincible summer.

- Albert Camus

In the depth of winter I finally learned that there was in me an invincible summer.

- Albert Camus

[illegible]

Quotes on Nature

Let us learn to appreciate there will be times when the trees will be bare, and look forward to the time when we may pick the fruit.

- Anton Chekhov

Let us learn to appreciate there will be times when the trees will be bare, and look forward to the time when we may pick the fruit.

- Anton Chekhov

[illegible]

Quotes on Nature

Nature always wears the colors of the spirit.

- Ralph Waldo Emerson

Nature always wears the colors of the spirit.

- Ralph Waldo Emerson

[illegible]

Quotes on Nature

The richness I achieve comes from Nature, the source of my inspiration.

- Claude Monet

The richness I achieve comes from Nature, the source of my inspiration.

- Claude Monet

Quotes on Nature

Spring is nature's way of saying, "Let's party!"

- Robin Williams

Spring is nature's way of saying, "Let's party!"

- Robin Williams

This image shows a blank sheet of white paper with horizontal black ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

Quotes on Nature

Swans sing before they die - 'twere no bad thing should certain
persons die before they sing.

- Samuel Taylor Coleridge

Swans sing before they die - 'twere no bad thing should certain
persons die before they sing.

- Samuel Taylor Coleridge

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

There is no forgiveness in nature.

- Ugo Betti

There is no forgiveness in nature.

– Ugo Betti

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

Quotes on Nature

To me a lush carpet of pine needles or spongy grass is more welcome than the most luxurious Persian rug.

- Helen Keller

To me a lush carpet of pine needles or spongy grass is more welcome than the most luxurious Persian rug.

- Helen Keller

[illegible]

Quotes on Nature

Wherever you go, no matter what the weather, always bring your own sunshine.

- Anthony J. D'Angelo

Wherever you go, no matter what the weather, always bring your own sunshine.

- Anthony J. D'Angelo

[illegible]

Quotes on Nature

The trees that are slow to grow bear the best fruit.

- Moliere

The trees that are slow to grow bear the best fruit.

- Moliere

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

Quotes on Nature

Never measure the height of a mountain until you have reached the top.
Then you will see how low it was.

- Dag Hammarskjöld

Never measure the height of a mountain until you have reached the top. Then you will see how low it was.

- Dag Hammarskjöld

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

Quotes on Nature

Let a hundred flowers bloom, let a hundred schools of thought contend.

- Mao Tse-tung

Let a hundred flowers bloom, let a hundred schools of thought contend.

- Mao Tse-tung

[illegible]

Quotes on Nature

In the wildness is the preservation of the world.

- Henry David Thoreau

In the wildness is the preservation of the world.

- Henry David Thoreau

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

Quotes on Nature

I still get wildly enthusiastic about little things... I play with leaves. I skip down the street and run against the wind.

- Leo Buscaglia

I still get wildly enthusiastic about little things... I play with leaves. I skip down the street and run against the wind.

- Leo Buscaglia

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

Quotes on Nature

In some mysterious way woods have never seemed to me to be static things. In physical terms, I move through them; yet in metaphysical ones, they seem to move through me.

- John Fowles

In some mysterious way woods have never seemed to me to be static things. In physical terms, I move through them; yet in metaphysical ones, they seem to move through me.

- John Fowles

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and extend across the width of the page. There are no margins, text, or other markings on the paper.

Quotes on Nature

I am not bound for any public place, but for ground of my own where I have planted vines and orchard trees, and in the heat of the day climbed up into the healing shadow of the woods.

- Wendell Berry

I am not bound for any public place, but for ground of my own where I have planted vines and orchard trees, and in the heat of the day climbed up into the healing shadow of the woods.

- Wendell Berry

[illegible]

Quotes on Nature

For in the true nature of things, if we rightly consider, every green tree is far more glorious than if it were made of gold and silver.

- Martin Luther

For in the true nature of things, if we rightly consider, every green tree is far more glorious than if it were made of gold and silver.

- Martin Luther

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and extend across the width of the page. There are no margins, text, or other markings on the paper.

Quotes on Nature

It is not light that we need, but fire; it is not the gentle shower, but thunder. We need the storm, the whirlwind, and the earthquake.

- Frederick Douglass

It is not light that we need, but fire; it is not the gentle shower, but thunder. We need the storm, the whirlwind, and the earthquake.

- Frederick Douglass

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

Quotes on Nature

My progress was rendered delightful by the sylvan elegance of the groves, cheerful meadows, and high distant forests, which in grand order presented themselves to view.

- William Bartram

My progress was rendered delightful by the sylvan elegance of the groves, cheerful meadows, and high distant forests, which in grand order presented themselves to view.

- William Bartram

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and extend across the width of the page. There are no margins, text, or other markings on the paper.

Quotes on Nature

People in cities may forget the soil for as long as a hundred years, but Mother Nature's memory is long and she will not let them forget indefinitely.

- Henry Cantwell Wallace

People in cities may forget the soil for as long as a hundred years, but Mother Nature's memory is long and she will not let them forget indefinitely.

- Henry Cantwell Wallace

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

Quotes on Nature

Rest is not idleness, and to lie sometimes on the grass under trees on a summer's day, listening to the murmur of the water, or watching the clouds float across the sky, is by no means a waste of time.

- John Lubbock

Rest is not idleness, and to lie sometimes on the grass under trees on a summer's day, listening to the murmur of the water, or watching the clouds float across the sky, is by no means a waste of time.

- John Lubbock

[illegible]

Quotes on Nature

Trees are the earth's endless effort to speak to the listening heaven.

- Rabindranath Tagore

Trees are the earth's endless effort to speak to the listening heaven.

- Rabindranath Tagore

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

Quotes on Nature

Yosemite Valley, to me, is always a sunrise, a glitter of green and golden wonder in a vast edifice of stone and space.

- Ansel Adams

Yosemite Valley, to me, is always a sunrise, a glitter of green and golden wonder in a vast edifice of stone and space.

- Ansel Adams

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

Quotes on Nature

Nature knows no pause in progress and development, and attaches her curse on all inaction.

- Johann Wolfgang von Goethe

Nature knows no pause in progress and development, and attaches her curse on all inaction.

- Johann Wolfgang von Goethe

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

Quotes on Nature

Just living is not enough... one must have sunshine, freedom, and a little flower.

- Hans Christian Anderson

Just living is not enough... one must have sunshine, freedom, and a little flower.

- Hans Christian Andersen

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

Let nature be your teacher.

- William Wordsworth

Let nature be your teacher.

- William Wordsworth

[illegible]

Quotes on Nature

I remember a hundred lovely lakes, and recall the fragrant breath of pine and fir and cedar and poplar trees. The trail has strung upon it, as upon a thread of silk, opalescent dawns and saffron sunsets.

- Hamlin Garland

I remember a hundred lovely lakes, and recall the fragrant breath of pine and fir and cedar and poplar trees. The trail has strung upon it, as upon a thread of silk, opalescent dawns and saffron sunsets.

- Hamlin Garland

[illegible]

Quotes on Nature

Having contemplated this admirable grove, I proceeded towards the shrubberies on the banks of the river, and though it was now late in December, the aromatic groves appeared in full bloom.

- William Bartram

Having contemplated this admirable grove, I proceeded towards the shrubberies on the banks of the river, and though it was now late in December, the aromatic groves appeared in full bloom.

- William Bartram

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and extend across the width of the page. There are no margins, text, or other markings on the paper.

Quotes on Nature

In June as many as a dozen species may burst their buds on a single day. No man can heed all of these anniversaries; no man can ignore all of them.

- Aldo Leopold

In June as many as a dozen species may burst their buds on a single day. No man can heed all of these anniversaries; no man can ignore all of them.

- Aldo Leopold

[illegible]

Quotes on Nature

Mere goodness can achieve little against the power of nature.

- Georg Wilhelm Friedrich Hegel

Mere goodness can achieve little against the power of nature.

- Georg Wilhelm Friedrich Hegel

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

Quotes on Nature

Should you shield the canyons from the windstorms you would never see the true beauty of their carvings.

- Elisabeth Kubler-Ross

Should you shield the canyons from the windstorms you would never see the true beauty of their carvings.

- Elisabeth Kubler-Ross

[illegible]

Quotes on Nature

The moment a little boy is concerned with which is a jay and which is a sparrow, he can no longer see the birds or hear them sing.

- Eric Berne

The moment a little boy is concerned with which is a jay and which is a sparrow, he can no longer see the birds or hear them sing.

- Eric Berne

[illegible]

Quotes on Nature

The sun, with all those planets revolving around it and dependent on it, can still ripen a bunch of grapes as if it had nothing else in the universe to do.

- Galileo Galilei

The sun, with all those planets revolving around it and dependent on it, can still ripen a bunch of grapes as if it had nothing else in the universe to do.

- Galileo Galilei

[illegible]

Quotes on Nature

What would be ugly in a garden constitutes beauty in a mountain.

- Victor Hugo

What would be ugly in a garden constitutes beauty in a mountain.

- Victor Hugo

[illegible]

Quotes on Nature

There is a muscular energy in sunlight corresponding to the spiritual energy of wind.

- Annie Dillard

There is a muscular energy in sunlight corresponding to the spiritual energy of wind.

- Annie Dillard

[illegible]

Quotes on Nature

Study nature, love nature, stay close to nature. It will never fail you.

- Frank Lloyd Wright

Study nature, love nature, stay close to nature. It will never fail you.

- Frank Lloyd Wright

This image shows a single sheet of white paper with horizontal blue ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

Quotes on Nature

The flower is the poetry of reproduction. It is an example of the eternal seductiveness of life.

- Jean Giraudoux

The flower is the poetry of reproduction. It is an example of the eternal seductiveness of life.

- Jean Giraudoux

[illegible]

Quotes on Nature

Nothing is more memorable than a smell. One scent can be unexpected, momentary and fleeting, yet conjure up a childhood summer beside a lake in the mountains.

- Diane Ackerman

Nothing is more memorable than a smell. One scent can be unexpected, momentary and fleeting, yet conjure up a childhood summer beside a lake in the mountains.

- Diane Ackerman

[illegible]

Quotes on Nature

Perhaps the truth depends on a walk around the lake.

- Wallace Stevens

Perhaps the truth depends on a walk around the lake.

- Wallace Stevens

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

Quotes on Nature

It was one of those perfect English autumnal days which occur more frequently in memory than in life.

- P. D. James

It was one of those perfect English autumnal days which occur more frequently in memory than in life.

- P. D. James

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

Quotes on Nature

In all things of nature there is something of the marvelous.

- Aristotle

In all things of nature there is something of the marvelous.

- Aristotle

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

Quotes on Nature

I knew, of course, that trees and plants had roots, stems, bark, branches and foliage that reached up toward the light. But I was coming to realize that the real magician was light itself.

- Edward Steichen

I knew, of course, that trees and plants had roots, stems, bark, branches and foliage that reached up toward the light. But I was coming to realize that the real magician was light itself.

- Edward Steichen

[illegible]

Quotes on Nature

Forget not that the earth delights to feel your bare feet and the winds long to play with your hair.

- Khalil Gibran

Forget not that the earth delights to feel your bare feet and the winds
long to play with your hair.

- Khalil Gibran

[illegible]

Quotes on Nature

I've made an odd discovery. Every time I talk to a servant I feel quite sure that happiness is no longer a possibility. Yet when I talk with my gardener, I'm convinced of the opposite.

- Bertrand Russell

I've made an odd discovery. Every time I talk to a servant I feel quite sure that happiness is no longer a possibility. Yet when I talk with my gardener, I'm convinced of the opposite.

- Bertrand Russell

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

Quotes on Nature

One touch of nature makes the whole world kin.

- William Shakespeare

One touch of nature makes the whole world kin.

- William Shakespeare

[illegible]

Quotes on Nature

Man has lost the capacity to foresee and to forestall. He will end by destroying the earth.

- Albert Schweitzer

Man has lost the capacity to foresee and to forestall. He will end by destroying the earth.

- Albert Schweitzer

[illegible]

Quotes on Nature

One of the most tragic things I know about human nature is that all of us tend to put off living. We are all dreaming of some magical rose garden over the horizon instead of enjoying the roses that are blooming outside our windows today.

- Dale Carnegie

One of the most tragic things I know about human nature is that all of us tend to put off living. We are all dreaming of some magical rose garden over the horizon instead of enjoying the roses that are blooming outside our windows today.

- Dale Carnegie

This image shows a blank sheet of white paper with horizontal black ruling lines. The lines are evenly spaced and run across the width of the page, providing a template for writing or drawing. There are no margins, text, or other markings on the paper.

Quotes on Nature

Sunshine is delicious, rain is refreshing, wind braces us up, snow is exhilarating; there is really no such thing as bad weather, only different kinds of good weather.

- John Ruskin

Sunshine is delicious, rain is refreshing, wind braces us up, snow is exhilarating; there is really no such thing as bad weather, only different kinds of good weather.

- John Ruskin

[illegible]

Quotes on Nature

We cannot command Nature except by obeying her.

- Francis Bacon

We cannot command Nature except by obeying her.

- Francis Bacon

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

Quotes on Nature

Whenever the pressure of our complex city life thins my blood and numbs my brain, I seek relief in the trail; and when I hear the coyote wailing to the yellow dawn, my cares fall from me - I am happy.

- Hamlin Garland

Whenever the pressure of our complex city life thins my blood and numbs my brain, I seek relief in the trail; and when I hear the coyote wailing to the yellow dawn, my cares fall from me - I am happy.

- Hamlin Garland

[illegible]

Quotes on Nature

What makes a river so restful to people is that it doesn't have any doubt - it is sure to get where it is going, and it doesn't want to go anywhere else.

- Hal Boyle

What makes a river so restful to people is that it doesn't have any doubt - it is sure to get where it is going, and it doesn't want to go anywhere else.

- Hal Boyle

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

Quotes on Nature

When one tugs at a single thing in nature, he finds it attached to the rest of the world.

- John Muir

When one tugs at a single thing in nature, he finds it attached to the rest of the world.

- John Muir

[illegible]

Quotes on Nature

Those little nimble musicians of the air, that warble forth their curious ditties, with which nature hath furnished them to the shame of art.

- Izaak Walton

Those little nimble musicians of the air, that warble forth their curious ditties, with which nature hath furnished them to the shame of art.

- Izaak Walton

[illegible]

Quotes on Nature

The mind, in proportion as it is cut off from free communication with nature, with revelation, with God, with itself, loses its life, just as the body droops when debarred from the air and the cheering light from heaven.

- William Ellery Channing

The mind, in proportion as it is cut off from free communication with nature, with revelation, with God, with itself, loses its life, just as the body droops when debarred from the air and the cheering light from heaven.

- William Ellery Channing

This image shows a blank sheet of white paper with horizontal black ruling lines. The lines are evenly spaced and run across the width of the page. There are approximately 20 lines visible, starting from the top edge and ending near the bottom edge. The margins are consistent on all sides.

Quotes on Nature

Nothing is so beautiful as spring - when weeds, in wheels, shoot long and lovely and lush; Thrush's eggs look little low heavens, and thrush through the echoing timber does so rinse and wring the ear, it strikes like lightning to hear him sing.

- Gerard Manley Hopkins

Nothing is so beautiful as spring - when weeds, in wheels, shoot long and lovely and lush; Thrush's eggs look little low heavens, and thrush through the echoing timber does so rinse and wring the ear, it strikes like lightning to hear him sing.

- Gerard Manley Hopkins

[illegible]

Quotes on Nature

Many a man curses the rain that falls upon his head, and knows not that it brings abundance to drive away the hunger.

- Saint Basil

Many a man curses the rain that falls upon his head, and knows not that it brings abundance to drive away the hunger.

- Saint Basil

[illegible]

Quotes on Nature

Knowing trees, I understand the meaning of patience. Knowing grass,
I can appreciate persistence.

- Hal Borland

Knowing trees, I understand the meaning of patience. Knowing grass,
I can appreciate persistence.

- Hal Borland

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

Quotes on Nature

I believe a leaf of grass is no less than the journey-work of the stars.

- Walt Whitman

I believe a leaf of grass is no less than the journey-work of the stars.

- Walt Whitman

[illegible]

Quotes on Nature

Mother Nature may be forgiving this year, or next year, but eventually she's going to come around and whack you. You've got to be prepared.

- *Geraldo Rivera*

Mother Nature may be forgiving this year, or next year, but eventually she's going to come around and whack you. You've got to be prepared.

- *Geraldo Rivera*

[illegible]

Quotes on Nature

We do not inherit the land from our ancestors, we borrow it from our children.

- Native American Proverb

We do not inherit the land from our ancestors, we borrow it from our children.

- Native American Proverb

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

Quotes on Nature

Nature teaches more than she preaches. There are no sermons in stones. It is easier to get a spark out of a stone than a moral.

- John Burroughs

Nature teaches more than she preaches. There are no sermons in stones.
It is easier to get a spark out of a stone than a moral.

- John Burroughs

This image shows a blank sheet of white paper with horizontal black ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

Quotes on Nature

The best thing one can do when it's raining is to let it rain.

- Henry Wadsworth Longfellow

The best thing one can do when it's raining is to let it rain.

- Henry Wadsworth Longfellow

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

Quotes on Nature

The sun, the moon and the stars would have disappeared long ago... had they happened to be within the reach of predatory human hands.

- Henry Ellis

The sun, the moon and the stars would have disappeared long ago...
had they happened to be within the reach of predatory human hands.

- Henry Ellis

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

Quotes on Nature

When I see a bird that walks like a duck and swims like a duck and quacks like a duck, I call that bird a duck.

- James Whitcomb Riley

When I see a bird that walks like a duck and swims like a duck and quacks like a duck, I call that bird a duck.

- James Whitcomb Riley

[illegible]

Quotes on Nature

When nature has work to be done, she creates a genius to do it.

- Ralph Waldo Emerson

When nature has work to be done, she creates a genius to do it.

- Ralph Waldo Emerson

[illegible]

Quotes on Nature

The sea is everything. It covers seven tenths of the terrestrial globe. Its breath is pure and healthy. It is an immense desert, where man is never lonely, for he feels life stirring on all sides.

- Jules Verne

The sea is everything. It covers seven tenths of the terrestrial globe. Its breath is pure and healthy. It is an immense desert, where man is never lonely, for he feels life stirring on all sides.

- Jules Verne

[illegible]

Quotes on Nature

Like music and art, love of nature is a common language that can transcend political or social boundaries.

- Jimmy Carter

Like music and art, love of nature is a common language that can transcend political or social boundaries.

- Jimmy Carter

This image shows a blank sheet of white paper with horizontal black ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

Quotes on Nature

Keep a green tree in your heart and perhaps a songbird will come.

- Chinese Proverb

Keep a green tree in your heart and perhaps a songbird will come.

- Chinese Proverb

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

Quotes on Nature

It is not so much for its beauty that the forest makes a claim upon men's hearts, as for that subtle something, that quality of air that emanation from old trees, that so wonderfully changes and renews a weary spirit.

- Robert Louis Stevenson

It is not so much for its beauty that the forest makes a claim upon men's hearts, as for that subtle something, that quality of air that emanation from old trees, that so wonderfully changes and renews a weary spirit.

- Robert Louis Stevenson

[illegible]

Quotes on Nature

I never saw a discontented tree. They grip the ground as though they liked it, and though fast rooted they travel about as far as we do.

- John Muir

I never saw a discontented tree. They grip the ground as though they liked it, and though fast rooted they travel about as far as we do.

- John Muir

[illegible]

Quotes on Nature

Hope is the only bee that makes honey without flowers.

- Robert Green Ingersoll

Hope is the only bee that makes honey without flowers.

- Robert Green Ingersoll

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

Quotes on Nature

I like trees because they seem more resigned to the way they have to live than other things do.

- Willa Cather

I like trees because they seem more resigned to the way they have to live than other things do.

- Willa Cather

[illegible]

Quotes on Nature

My recollection of a hundred lovely lakes has given me blessed release from care and worry and the troubled thinking of our modern day. It has been a return to the primitive and the peaceful.

- Hamlin Garland

My recollection of a hundred lovely lakes has given me blessed release from care and worry and the troubled thinking of our modern day. It has been a return to the primitive and the peaceful.

- Hamlin Garland

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

Quotes on Nature

Spring is when you feel like whistling even with a shoe full of slush.

- Doug Larson

Spring is when you feel like whistling even with a shoe full of slush.

- Doug Larson

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

All good things are wild and free.

- Henry David Thoreau

All good things are wild and free.

- Henry David Thoreau

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

Quotes on Nature

The snow itself is lonely or, if you prefer, self-sufficient. There is no other time when the whole world seems composed of one thing and one thing only.

- Joseph Wood Krutch

The snow itself is lonely or, if you prefer, self-sufficient. There is no other time when the whole world seems composed of one thing and one thing only.

- Joseph Wood Krutch

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

Quotes on Nature

Unless a tree has borne blossoms in spring, you will vainly look for fruit on it in autumn.

- Walter Scott

Unless a tree has borne blossoms in spring, you will vainly look for fruit on it in autumn.

- Walter Scott

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

Quotes on Nature

For every person who has ever lived there has come, at last, a spring he will never see. Glory then in the springs that are yours.

- Pam Brown

For every person who has ever lived there has come, at last, a spring he will never see. Glory then in the springs that are yours.

- Pam Brown

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

Quotes on Nature

The ground we walk on, the plants and creatures, the clouds above constantly dissolving into new formations - each gift of nature possessing its own radiant energy, bound together by cosmic harmony.

- Ruth Bernhard

The ground we walk on, the plants and creatures, the clouds above constantly dissolving into new formations - each gift of nature possessing its own radiant energy, bound together by cosmic harmony.

- Ruth Bernhard

[illegible]

Quotes on Nature

One must ask children and birds how cherries and strawberries taste.

- Johann Wolfgang von Goethe

One must ask children and birds how cherries and strawberries taste.

- Johann Wolfgang von Goethe

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

Quotes on Nature

Life has loveliness to sell, all beautiful and splendid things, blue waves whitened on a cliff, soaring fire that sways and sings, and children's faces looking up, holding wonder like a cup.

- Sara Teasdale

Life has loveliness to sell, all beautiful and splendid things, blue waves whitened on a cliff, soaring fire that sways and sings, and children's faces looking up, holding wonder like a cup.

- Sara Teasdale
