

Morning Greetings at School

KATIE: Good morning, Kevin!

KEVIN: Morning, Katie. What's up?

KATIE: Not much. Did you do the homework for Algebra class?

KEVIN: Yes, but some of the problems were very hard for me.

KATIE: For me, too.

KEVIN: Let's compare our homework at lunch, and try to finish it.

KATIE: Okay. Sounds good. See you at lunch. Bye!

KEVIN: See you then. Good-bye!
