## Writing Exercises: Jacksonian Era

| Name: | me:Date  | 9:                           | _Class Period:       |
|-------|--|------------------------------|----------------------|
|       |  |                              |                      |
| 1.    | Explain how and why the Democratic-Republican party split.                     |                              |                      |
|       |  |                              |                      |
|       |  |                              |                      |
|       |  |                              |                      |
| 2.    | Analyze how changes in voting requirements may have played                     | a role in Jackson's electior | n to the presidency. |
|       |  |                              |                      |
|       |  |                              |                      |
|       |  |                              |                      |
|       |  |                              |                      |
| 3.    | Describe the spoils system.  |                              |                      |
|       |  |                              |                      |
|       |  |                              |                      |
|       |  |                              |                      |
| 4.    | Summarize the events surrounding the Trail of Tears.                           |                              |                      |
|       |  |                              |                      |
|       |  |                              |                      |
|       |  |                              |                      |
|       |  |                              |                      |
| 5.    | Discuss the pros and cons of the theory of nullification from the governments. | ne perspectives of both the  | e federal and state  |
|       |  |                              |                      |
|       |  |                              |                      |
|       |  |                              |                      |
|       |  |                              |                      |
