- Thomas Jefferson served as the third president of the United States (1801-1809).
- Thomas Jefferson is considered to be one of the great thinkers of the Enlightenment.

The will of the people is the only legitimate foundation of any government, and to protect its free expression should be our first object.

The will of the people is the only legitimate foundation of any government, and to protect its free expression should be our first object.

We hold these truths to be self-evident: that all men are created equal, that they are endowed by their Creator with certain unalienable rights; that among these are life, liberty, and the pursuit of happiness.

We hold these truths to be self-evident: that all men are created equal, that they are endowed by their Creator with certain unalienable rights; that among these are life, liberty, and the pursuit of happiness.

We hold these truths to be self-evident: that all men are created equal, that they are endowed by their Creator with certain unalienable rights; that among these are life, liberty, and the pursuit of happiness.

All tyranny needs to gain a foothold is for people of good conscience to remain silent.

All tyranny needs to gain a foothold is for people of good conscience to remain silent.

I abhor war and view it as the
greatest scourge of mankind.

I abhor war and view it as the
greatest scourge of mankind.

I believe that banking institutions are more dangerous to our liberties than standing armies.

I believe that banking institutions are more dangerous to our liberties than standing armies.

An injured friend is the bitterest of foes.

An injured friend is the bitterest of foes.

Where the press is free and every man able to read, all is safe.

Where the press is free and every man able to read, all is safe.

It is incumbent on every generation to pay its own debts as it goes. A principle which if acted on would save one-half the wars of the world.

It is incumbent on every generation to pay its own debts as it goes. A principle which if acted on would save one-half the wars of the world.

Honesty is the first chapter in the book of wisdom.

Honesty is the first chapter in the book of wisdom.

When the people fear the
government, there is tyranny.

When the government fears the
people, there is liberty.

When the people fear the
government, there is tyranny.

When the government fears the
people, there is liberty.

Be polite to all, but intimate with few.

Be polite to all, but intimate with few.

When angry count to ten before you speak. If very angry, count to one hundred.

When angry count to ten before you speak. If very angry, count to one hundred.

He who knows nothing is closer to the truth than he whose mind is filled with falsehoods and errors.

He who knows nothing is closer to the truth than he whose mind is filled with falsehoods and errors.

I believe that every human mind
feels pleasure in doing good to
another.

I believe that every human mind
feels pleasure in doing good to
another.

Nothing gives one person so much advantage over another as to remain always cool and unruffled under all circumstances.

Nothing gives one person so much advantage over another as to remain always cool and unruffled under all circumstances.

The spirit of resistance to government is so valuable on certain occasions that I wish it to be always kept alive.

The spirit of resistance to government is so valuable on certain occasions that I wish it to be always kept alive.

When a man assumes a public trust he should consider himself a public property.

When a man assumes a public trust he should consider himself a public property.

It is always better to have no ideas than false ones; to believe nothing, than to believe what is wrong.

It is always better to have no ideas than false ones; to believe nothing, than to believe what is wrong.
